

HILLCLIMB WEEKEND

12th & 13th April 2025

Sponsored By:

Rounds 3 & 4 of the 2025 Irish Hillclimb & Sprint Championship.

SUPPLEMENTARY REGULATIONS

The event is organised by Wexford Motor Club and will be held under the general competition Rules of MI (incorporating the provisions of the International Sporting Code of the F.I.A.) and in accordance with Appendix 80 and 81 of the current Motorsport Ireland Yearbook, copies of which are available on www.motorsportireland.com, and these supplementary regulations. All competitors who forward entry forms agree to be bound by these rules. Both events count as a round of the 2025 Irish Hillclimb & Sprint Championship.

MOTORSPORT IRELAND PERMIT NO: 25/040

Double Drivers

Double drive cars must display a sticker provided by the organisers. The sticker should be a black "D" on white background to be placed on top of the windscreen or middle of the bodywork in front of the driver for single seaters.

Driver

Only one person is allowed in a competition car at any time during the event, including in the paddock ***with the exception of Class 1J.***

Competition Numbers

Number must be clearly visible on both sides of the car. Registered Hillclimb & Sprint competitors are asked to state on their entry form their registered number. Non-registered competitors will be provided with a number by the organizers. Only the race number that you are running with on the weekend of the event is to be visible on your car. All other numbers are to be covered up or removed. The onus is on double drivers to make sure that the correct number is on the car before they get to the start line.

Paddock

Overnight parking will be available in the paddock on Friday 5th May. There shall be no holding of spaces for any competitors. You must at all times obey the paddock marshal's instructions. **Ground Sheets must be used in the Paddock. No Exceptions!!** Double drivers shall be accommodated but will have to make themselves known to the paddock marshal who will have a list of the double drives. Waste bins will be provided in the paddock. A Portaloo will be provided in the paddock. ***In the event of inclement weather an alternative hard ground paddock will be provided.***

Practice and Timed Runs.

Each competitor must undertake only one practice run & no practice re-runs will be allowed. On Saturday, no competitor will be allowed on the hill after the road is closed. On Sunday, no competitor will be allowed on the hill after the road is closed.

Finish

The finish line is indicated by chequered flag boards. After crossing the finishing line competitors must reduce speed as quickly as possible within the distance of the 3-2-1 boards.

Awards

F.T.D. Overall Each Day
1st, 2nd, 3rd in class each day
Novice Award

Class Eligibility

The onus will be on the competitor to ensure that they have been entered in the correct class.

All Rally car classes will run as per classes above.

FIA Performance Factor number (PF) The PF is a method of classifying the cars, the calculation for which consists of allocating a performance value specific to each car based on it's weight and technical parameters. The PF number of a car must be generated using the dedicated "Performance Factor" website: www.fiaperformancefactor.com. Classes will be determined based on the following PF points:

- PF CLASS 1 - 0 TO 59
- PF CLASS 2 - 60 TO 119
- PF CLASS 3 - 120 TO 179
- PF CLASS 4 - 180 TO 239
- PF CLASS 5 - 240 TO 299
- PF CLASS 6 - 300 and above

NOTE: CARS BEING DOUBLE DRIVEN CAN ONLY BE ENTERED INTO ONE CLASS

The organising clubs may include extra classes or amalgamate classes, subject to the approval of the Hillclimb / Sprint Commission.

Subject to sufficient entries these classes must apply to all Championship events.

The organising clubs may include extra classes or amalgamate classes, subject to the approval of the Hillclimb / Sprint Committee.

Rally cars must run "**Rally Ready**" - to include tyres, seats etc.
